**SAVING MONEY** is not equally easy for all people. Some are naturally thrifty and some are not. But the habit can always be acquired.

The way to acquire the habit of saving is to make a start and then keep it up. Like all habits, the longer one persists the easier it becomes.

**HARDING HAS IDEAL DAY FOR FISHING**

Speed Yacht Bearing His Party Expected to Return to Miami Tomorrow.

MIAMI, Fla., Feb. 1.—The fishing grounds off Cocolobo Island, thirty-eight miles south of here, were the scene of President-elect Harding's first adventure with rod and reel since his arrival in Florida.

Although reports from the isolated fishing club located on the island indicated an ideal day for a tarpon hunt, no word was received regarding the results of the next President's fishing ability.

The speed yacht La Pache, bearing Mr. Harding and the other members of the party, is due back in Miami tomorrow morning. The President-elect will go aboard the houseboat Victoria for the return trip to St. Augustine, where he is due to arrive February 7.

**Eagles to Give Dance.**

A reception, entertainment, and dance will be given tomorrow night by Washington Aerie, No. 126, Fraternal Order of Eagles, at Pythian Temple.

Allison, president of the Miami Aquarium Association; Capt. John Levi, designer of yachts; Herbert Duckwald, sportsman; Carl G. Fisher, president of the club; Amos G. Batchelder, of Washington, D. C., executive secretary of the American Automobile Association, and Robert Maypole, of Chicago.

**Be Careful What You Wash Your Hair With**

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Mulford's coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get Mulford's at any drug store, and a few ounces will last the whole family for months. Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff. Be sure your druggist gives you Mulford's.

**Fine, Warm Ulsters, Ulsterettes and Great Coats for Men**

Offered at Greatly Lowered Prices

**\$37.50--\$47.50--\$57.50**

King Winter is still at his post, as the last week made us realize especially when we are out of doors.

Interspersed as this season has been with a few biting cold days and a majority of mild ones, the need of Heavy, Warm, Protective Coats is more keenly felt than would ordinarily be in a winter of regular winter weather.

These Ulsters and Ulsterettes for Street, Motor and Traveling are Mostly Exclusive Hand-tailored Garments.

All are of warm, fleecy fabrics of rich colorings or heavy, tightly woven woollens that will repulse any wind.

Every Coat is a typically cold weather garment, having big convertible collar, deep cuffs and most of them double breasted, which gives a double thickness over the chest.

**Every Coat Is Lowered to a Price Near or Below Actual Cost to Us.**
